

The New Jersey Section of the
American Water Resources Association
invites you to:

**The 12th Annual
Water New Year's Eve &
46th Anniversary Celebration Banquet**

The Water Year is used by hydrologists to show the monthly patterns of precipitation, evaporation/evapotranspiration, runoff, and groundwater recharge, the primary components of the hydrologic cycle. Hydrologists use a year that begins on October 1st when soil moisture begins to be recharged following the summer months. NJ-AWRA uses the Water New Year as an occasion to celebrate water resources and have some fun with our members.

**October 21st, 2016, 6:00pm
THE BOATHOUSE at MERCER LAKE**

334 S Post Rd, West Windsor Township, NJ 08550

<http://boathouseatmercerlake.com/>
